Hi There,

I understand that this is to review the discharge of conditions 13, and 18 from an ecological perspective in 2023/93067.

Condition 13 – bat roosting

The Proposed Bat and Swift box locations Plans, and bat / bird box information documents have been reviewed. These are acceptable and in line with the requirements of the condition.

Condition 13 is met.

Condition 18 – landscaping

The "Layout for conditions no, 5 & 18 . 2023/62/93067/E drawing" has been reviewed. This is acceptable and in line with the requirements of the condition.

Condition 18 is met form an ecological perspective.

Many thanks, Katie
