<p>It appears that since the previous successful application, the planned position of the property has been moved forward thereby causing considerable loss of light, due to immediate and permanent obstruction at a distance of less than 5 metres, directly in front of the kitchen and dining room windows of No.7a Riley Lane.</p> <p>This was discussed with the previous planning officer involved at the time and it was agreed to move the property back so as not to cause any disruption to the light enjoyed by the afore-mentioned rooms.</p> <p>Please amend the plans so they mirror those of the previous application. Thank you.</p>
