Hello,

I am writing in support of Application 2025/62/92997/E, made by Denby Dale & District Men's Shed Association to convert Holy Trinity Church into a community workshop and café.

Since becoming the Member of Parliament for the area, I have visited a number of the Men's Shed events. I am always impressed and inspired by how the group brings together local people, fostering community and tackling loneliness. This application will secure the future of the group in our area, while enabling more local people to access its benefits.

This low-impact, community-led proposal will allow the continued use of the church building by local people, as well as the expansion and continuation of the Men's Shed organisation important work in our area.

Given the above reasons, I enthusiastically support this application.

Best wishes,

Jade Botterill
MP for Ossett and Denby Dale
