

## **Parking Support Plan**

The planning application for the change of use of 3, 5, and 7 Mill Street East, Dewsbury, WF12 9AQ, to a C2 children's home. The proposal sets out the parking arrangements to ensure compliance with local authority requirements and to promote the efficient use of space.

Staff schedules will be coordinated by the management team to ensure parking requirements are effectively managed. A company vehicle, designated for transporting the young person, will be parked at the rear of the property. This area provides up to six allocated parking bays. An additional three parking spaces are located at the front of the property on Mill Street East.

The site benefits from safe entry and exit points, with no existing parking restrictions, and the frontage allows unobstructed access for emergency vehicles. In total, the property can accommodate up to nine vehicles at any given time.

To support sustainable travel, a bicycle rack will be installed in the rear garden for staff and visitors. In addition, the rear of the property will be equipped with an electric vehicle charging point capable of charging two vehicles simultaneously.
