<p>The amount of parking allowed only covers 9 residents, they will have visitors who may try to park on river park This was previously a problem when pub was operational and will impact highway safety and also the character of the area Parking allowance is insufficient Kmc must ensure we do not have a repeat of parking issues on river park. As chair of neighbour hood watch many residents have complained about this and we seek kmc assurances this extra visitor parking will not create any issues for the r PK residents</p>
