<p>The applicant started to demolish the shop frontage before planning application. This was stopped by planning, yet on their form they have ticked no to the answer has work started. There is no mention as far as I can see to reinstate the beautiful stained glass that was there previously.</p> <p>Does Birstall really need another Barbers. We already have so many hairdressers, barbers, nail, beauty shops. The signage should stay in the style of Heritage writing in keeping with the building. They should be made to keep the frontage as it originally was.</p>
