

Key

-  **Site boundary**
-  **Root barriers**
 Proposed root barrier locations. Rooted 400 as supplied by GreenBlue Urban or similar approved.
 Root barrier locations and specifications to be agreed with site engineer prior to installation.
-  **5m Tree Radius**
 5m radius illustrated for trees requiring root barriers.

FAQ: LANDSCAPE CONTRACTOR - NOTICE OF LANDSCAPE AUDITING

Please note, this landscaping scheme will be audited once installation is complete. Any omissions, substitutions, or the relocation of any item (including, but not limited to, trees, specimens, shrubs, hedges, hedges, hard landscaping elements etc.) without written agreement from both the client and the Landscape Architect will be viewed as a breach of contract, and will be rectified at your cost immediately.

For instances where the site layout differs from that shown on this plan, please contact the Landscape Architect initiated in the title block using the phone number or email address provided for the before-after client of this plan, before proceeding with the installation.

Audits will thoroughly inspect the species, pool sizes, heights and locations of all specified soft landscaping, as well as the quality of workmanship across the entire scheme, and the consistency between the proposed design and the end product.

REVISONS

Rev	Date	Notes
A	23-10-2023	Access track next to plot 1 removed.
B	01-11-2023	Additional tree planting proposed.
C	04-10-2024	Updated to latest planning report and comments.
