<p>I believe that this addition to my area will be very beneficial I look forward to being able to use this field to exercise & spend time with my dogs that normally can not be exercised off lead This will provide a safe & secure environment for us all I look forward to being a frequent user & to being able to park my car close to the site This is an ideal semi rural location & I think the area will benefit greatly from this field I have used these types of exercise area in other places & have always found them to be safe & respectful spaces for all to enjoy whilst providing peace of mind for both me & my dogs</p>
