<p>As a valley resident I feel that, whilst I do not object to the principal, I think that the road and parking are an issue, maybe put double yellow lines on both sides of the road to restrict parking, which will no doubt happen. The possible noise is also a concern as dogs get together and whilst daytime may be fine, the hours also seem a little excessive, especially until 8pm each day and weekends, possibly look at reducing the weekend hours from 9-4 or similar, listening to barking through until 8pm isn't really appealing and sound does carry already from the factory during the day so will just as much, if not more in the evenings as background ambient noise subsides. Overall in support but concerned about the above</p>
