<p>We have lived off Woodbottom Road for over 30years. The road is not a quiet road, its very highly trafficked & the condition of the road is not suitable for additional parking. Noise will also be an issue as we can already hear dogs being exercised on a dog walking field off the Greenway Meltham. The field has only had sheep grazed on it & not horses as stated & the removal of agricultural status could lead to further development in the future</p>
