

Appendix L. Model form of certificate for type 'P' temporary works

Project details:

Name of project: George Hotel, Huddersfield

Name of structure: BASEMENT WALL PROPPING SYSTEM SUPPORTING THE HIGHWAY

Structure reference no: K61208T

Section1

We certify that reasonable professional skill and care has been used in the preparation of the design and check¹ of the temporary works comprising the propping system supporting the basement wall retaining the highway with a view to securing that:

1) It has been designed and checked¹ in accordance with:

a) The Approval in Principle dated (18.03.26) including the following: ²³

b) ~~The TAA directives for the items listed in 3.ii below.~~⁴

2) The design proposals reflect the requirements of the relevant highway authorities for all affected highways.

3) The design of the temporary works has been accurately translated into temporary works drawings.

The unique numbers of these drawings and schedules are:

CRE-IBN-433-001A-1_DRG Rev A

CRE-IBN-433-001A-2_DRG Rev A
