Subject: Application objection 2025/CLD/93269/W

Planning application No :- 2025/CLD/93269/W Address :- 1A, Lydgate Drive, Lepton,Huddersfield,HD8 0EN.

This venture is in a dangerous position on the corner of Lydgate Drive and the busy main Wakefield Road. There is limited parking (certainly not room for 4 cars) and this will add to an already congested Lydgate Drive (where will visitors park ?).

The majority of residents on Lydgate Drive are of pensionable age, why should our peace and safety be compromised. Rules and regulations look good on paper but with red tape are never executed.

Myself and my wife strongly object to this application on the grounds of our safety, security and peace of mind. Also talking about rules, there has been no visible notification for the residents Lydgate Drive.

14. Lydgate Drive, Lepton, Huddersfield,HD8 0EN
