Dear sir/madam

I am really concerned about this children's home that will be on Lydgate drive and do not think that our avenue is the right place for it to be on.

I have lived at number 37 for thirty five years and know most of the neighbours they keep themselves to themselves but are there if you need anything we are a good community.

Most of these are pensioners and this development will spoil the peaceful environment that we have built between us and will also leave most of them feeling vulnerable.

Also there is the traffic to consider on the corner which could be hazardous for coming out on to the main road .

I hope you will take this into consideration for the the residents peace of mind.
