<p>I am writing to object to the application for a Children's Residential Home in the Lydgate Drive Area in Lepton.</p> <p>The area is a very quiet cul-de-sac with residents primarily people in their later years looking forward to peace and quiet in their retirement.</p> <p>I feel it is essential that the planning department take this into account when deciding what is best for this community.</p> <p>Surely a setting of this nature needs to be in a location nearer to activities more appropriate to the age range of the proposed residents.</p>
