<p>I hereby assert my objection to the proposed action at 1A Lydgate Drive, Lepton. I feel strongly that this would have a negative impact on the immediate area. There is already insufficient parking and this will become even more of a problem. I also feel the proposed development would disrupt the character of the area. This is a very quiet place with many elderly residents. The proximity to the A629 Wakefield Road also leaves me very concerned about safety.</p> <p>I would additionally like to raise the question as to why no notifications have been affixed to lampposts, which I believe is customary in these instances.</p>
