<p>I am over 80 years old, born, and lived all my life in Westborough. Following recent hip surgery, I walk to aid recovery, and have seen a planning application for what alleges to be a second storey extension to what is already one of the biggest houses (since it's last huge extension), of those surrounding (even those extended already). It was originally simple, basic, 2 up 2 down bungalow. This latest plan is to further extend No. 68 Oxford Road, WF13 4EH, to what appears to have, in effect, 3 storeys - ground, first and second floors.</p> <p>had an extensive view into almost all neighbouring properties. With the plans wanting a 3rd storey with balcony and terrace at that level, and that on a large rear extension, the occupiers will have a far reaching, and closer, view of immediate neighbours and beyond; their privacy would be very much compromised. The proposed extension would make No. 68 a massive property, dominating the whole street scene - the actual blot on the landscape. Please consider this, my formal objection, and do not allow this application on size, overbearing against near neighbours, and far reaching privacy issues for more than immediate neighbours. Thank you.</p>
