<p>this property originally a 1950s Bungalow has seen significant alterations in 2007 the new application seems to increase enormously being totally out of character, incongruous in comparison to its surrounding properties &amp; being so close on all sides would take away its Neighbours privacy</p> <p>Most importantly the proposed increase in frontage of the property plus the canopy which in future could be enclosed without consent or regulation is a direct breach of the Building Line Covenant that has been observed in all past approved applications</p>
