<p>The area is already far too busy with traffic. The bottom of WELLHOUSE LANE is only SINGLE LANE, traffic cant get in our out causing traffic on FLASH LANE to back up right back on to DUNBOTTLE LANE thus causing traffic problems over 1km away already. Traffic is already going down the ONE WAY part of HEPWORTH LANE the wrong way because it's not possible to get down WELLHOUSE LANE. LANE is the important word here , they are LANES, and not big enough for large vehicles to negotiate. There just isn't enough room because of how narrow these LANES are. The planning application has already been refused on safety issues on numerous occasions and nothing has changed except the traffic gets busier year on year.</p>
