<p>I am objecting to the development of 75 house on the grounds of the amount of extra cars having access to and egress from Woodward Court and the new proposed exit point into Hepworth Close. This development will increase the residential traffic by 100 cars plus as most families have 2 cars. The cars will be entering/exiting narrow lanes which are only in real times single carriageways. No pavement on Hepworth Lane - health and safety issues for the elderly and indeed children going to and from school. The elderly people who live in this area have to make Drs and hospital appointments at the start and end of school day due to increase in school traffic.</p> <p>This development has been refused on all previous occasions due to traffic. Traffic has only got worse since Bellway put in their first application, nothing has changed for the better infact they have got considerably worse</p>
