I am strongly objecting to this proposal to build 75 homes on this land. This is for many reason- of increased traffic to an already heavily congested area by Wellhouse Lane and Crossley Fields school where single lane traffic blocks Flash Lane. This area is already a nightmare to get through and would be much worse with increased population of 75 houses. When walking through the surrounding area of Balderstone Hall Lane, it is a real pleasure to see grazing horses, squirrel families and an abundance of wildlife - this proposal would totally wreck the dynamics of this beautiful green space. There are many more appropriate, more industrial sites and areas to build houses on, not wreck the beauty of this landscape.
