<p>We have lived at this property on Hepworth Lane/Close for over 23 years. Year on year the amount of vehicles travelling up and down Hepworth Lane and Close has increased astronomically - often vehicles driving DOWN the one way part of Hepworth Lane. Our Lane is used as a short cut to Crossley Fields. Children and families with children walk up to the school which in itself is dangerous as there is no pavement either side of the single carriage way at the entrance to Hepworth Lane or at the single carriageway on the exit.</p> <p>Turning left out of a new estate right next to our drive and onto the single carriageway, opposite dwellings and the usual parked vehicles would cause no end of problems/issues/accidents!</p> <p>It doesn't bare thinking about the construction vehicles etc attempting to enter Hepworth Lane and the field - it is already over populated with traffic on an small lane.</p>
