Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
As in the past, the fundamental objection is to the woefully inadequate access/egress via Wellhouse Lane and Hepworth Lane which led to the refusal of the plan some years ago. Any increase in traffic flow in the said area would be disastrous and dangerous. Additionally, the overall infrastructure of the immediate area remains inadequate in the extreme. Any additional housing such as that proposed would lead to an unbearable strain on all existing services.
