<p>I oppose to this application as the increase on traffic in this area would be hugely affected. Wellhouse and Hepworth Lane are only narrow and are horrendous especially at school run times. The safety of the children walking also need to be considered. Bellway have tried 4 times previously and if anything the traffic is worse now than before. The infrastructure has never changed or hasnt been improved so to agree this planning would be absolutely ludicrous. Including another entrance on Hepworth Lane is also not acceptable as it is a narrow one way road and it cannot take anymore traffic. Also, they do not have the capacity at the Drs and dentists to increase their number of patients.</p>
