<p>Access roads are lanes not built for potential of another 100 plus cars running on them.</p> <p>I live on Wellhouse and I am already a prisoner between school hours can't attempt to get on or off so added traffic will be even more a nightmare for us locals</p> <p>Schools, doctors , sewers not good enough, no new built in the area to accommodate more people.</p> <p>There is a reason this hasn't passed before too dangerous, Wellhouse is already used as a cut through from Ravensthorpe up to sunny bank and vice versa. Again the road not built for that so again making a lane have more traffic potential for accidents, it's windy and bendy, and it some parts only single car size</p>
