<p>Wellhouse Lane and Hepworth Lane are currently a traffic safety issue particularly at school opening and closing times. The road becomes impassable and I have seen people having to reverse into flash lane traffic as cars are backed up on Wellhouse lane.</p> <p>They are lanes not roads and not suitable for the amount of traffic that the new dwellings will generate.</p> <p>The Doctors that service this proposed development are also stretched and I do not see any proposals to support them.</p> <p>This size of development will have a significant negative impact on the roads and transport network by generating more traffic at peak times</p>
