### User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	No
Previous applications have been declined with good reason, nothing has changed therefore this application should also be declined. The building of 75 homes on this green space will increase traffic pressures in an already busy area without any additional capacity. Wildlife will loose valuable habitat, shelter and food. We are losing our green spaces far too quickly and they must be protected
