<p>I designed my property several years ago specifically to take advantage of this beautiful view. The proposed development would significantly harm the character of the area and have a negative impact on the value of my home.</p> <p>Furthermore, the design quality of the proposed houses is poor and out of keeping with the surrounding properties. The local road network is not suitable to accommodate additional traffic, particularly Hepworth Lane, which already experiences congestion.</p> <p>There is also a school at the top of the road, and traffic levels are already very high during school drop-off and pick-up times. Any increase in traffic would exacerbate existing problems and create further congestion and safety concerns.</p> <p>It should also be noted that planning permission for this site has previously been refused, and the issues that led to that decision do not appear to have been adequately addressed.</p>
