<p>We dont have the infrastructures to cope with 75 more houses. The roads aren't suitable as it is for the volume of traffic, we know 75 houses will have more than one car per house. Then the schools and gps surgery wont be able to cope either, i won't mention the 4000 houses being built up calder road once Ravensthorpe train station has been completed - again completely ridiculous!</p> <p>The houses would also impact the natural area and wildlife within it. It'll ruin the fields surrounding the potential build site as well.</p> <p>The idea to build here is absurd.</p>
