<p>I wish to formally object to application 2025/93355 on the grounds that the area cannot safely accommodate the additional traffic this development will create. The school traffic is already significant and causes a safety issue every morning. Additional traffic on Hepworth lane would add to safety issues for our local community in particular the elderly and young children. I am also concerned about the impact on wildlife and potential flooding and drainage issues. I have water pressure issues and my neighbours have drainage issues. I am concerned that the drainage infrastructure will be further affected by a development of this size.</p> <p>Thank you</p>
