My name is _____ and I live at _____. I wish to formally object to application 2025/93355 on the grounds that Hepworth Lane cannot safely accommodate the extra traffic the development would generate. The lane is narrow, there are no footpaths. It would be incredibly dangerous for pedestrians to share the road with vehicles, particularly at peak times such as at the end of a school day when the children are walking home, some of which are very young. It's difficult to imagine the effect this application would have on the area and almost beggars belief that it could go ahead.
