| <p>This development will add even more traffic to an area which is already over saturated with vehicles to walk along Hepworth Lane at the moment is a dangerous act as both ends of this lane are extremely narrow with no footpaths</p> <p>This is a daily route used by lots of school children and is dangerous already to add to this hazard would not be in the interests of the children/pedestrians using this route.</p> <p>Wellhouse Lane is also an extremely busy thoroughfare for vehicles as are Flash Lane and Shillbank Lane which are all close to the development and would be impacted if this went ahead.</p> <p>I have had a few close encounters while walking grandchildren to school.</p> <p>The main concern is road safety and the impact on this already busy area.</p> | |
