<p>My mum lives on Hepworth Close and I grew up there. The traffic access via Hepworth Lane is already problematic with far too much traffic for a small residential area. The roads cannot take the multiple cars from a further number of houses. This will not only take away a valuable green space, it will add to noise, traffic and negatively impact the quality of life for existing residents.</p> <p>Furthermore, Hepworth Lane serves as a walk through for pupils at Wellhouse School, castle Hall and MFG and adding more traffic to this area will also endanger children with the additional traffic.</p> <p>The corner of Hepworth Lane and Shillbank Lane is narrow and. Already a dangerous corner, it cannot take any further traffic.</p>
