<p>I have serious concerns about the planning of the housing estate off welhouse lane.</p> <p>Mirfield as a whole does not have the infrastructure to accommodate 75 more houses and an equal if not double amount of cars. The roads are already atrocious, poorly maintained and queues to get out of Mirfield in every direction especially around peek times.</p> <p>Welhouse lane is already a nightmare at school time with the majority of students coming to school by car from residence that don't even live in Mirfield, the roads are narrow and single track at points with lots of footpaths causing potential harards at peak time.</p> <p>Don't ruin Mirfield with more houses, we've had enough built in the last 20 years, we don't need more.</p>
