The area is used by local residents for exercise, this will be lost. It is an area that supports wildlife, this will be lost. It helps keep the air cleaner, by not having housing, that creates emissions. The housing will have a detrimental effect on the narrow roads accessing the estate, with a potential for 150 vehicles and an extra 300 journeys per day. Mirfield is already struggling with high volumes of traffic at peak times of day. The Dr's Surgery is already oversubscribed. This is not an acceptable use of this land, there are more suitable areas within the region. There is land at the rear of Ravensthorpes new Railway Station, that has already been earmarked for thousands of homes. That would allow residents to use the Rail Network and not the already busy Dewsbury/ Huddersfield Road.
