<p>I strongly object to this planning proposal.</p> <p>We live on Crossley lane. It's very busy and dangerous already, we have daily near misses pulling off our driveway.</p> <p>NO MORE CARS NEEDED ON THIS LANE OR SURROUNDING AREAS - I fear for the safety of pedestrians and horse riders whom use this route every day.</p> <p>There are no official crossing areas to enable children to walk to school safely. More cars will result in death, I'm certain of it. It's just a matter of time.</p> <p>ACCESS - there are no safe access/exit points to have an additional 75+ cars going in and out of the estate.</p> <p>My son walks near this field to go to school, I fear greatly for his safety with all the wagons, diggers and machinery whilst construction is happening and traffic once completed.</p> <p>DRAINAGE - The water table has changed near our home, we have pools of water in our garden flowing from the fields above, it's horrendous. More building work will make this even worse for us. We will report this again if required.</p> <p>NOISE - the construction noise will be horrendous for us.</p> <p>DOCTORS SURGERY, SCHOOL PLACES - We are bursting at the seams already.</p> <p>SAVE OUR GREEN SPACES FOR WILDLIFE.</p> <p>Enough is enough, retain some beautiful spaces for us all to enjoy.</p> <p>ME AND MY FAMILY STRONGLY OBJECT TO THIS.</p>
