<p>I object to application 2025/93355 for several reasons.</p> <p>The area surrounding Hepworth Lane is already heavily congested, particularly at school drop off and pick up. Both Hepworth Lane and Wellhouse Lane are extremely narrow roads in places, with lack of suitable footpaths, meaning pedestrians, particularly young children, have to walk on the road. Adding houses means increasing the risk of further congestion and accidents.</p> <p>Adding 75 homes to this area will add great strain on the local school, Crossley Fields, as many of these new homes will likely house families. If parents decide to apply for other Mirfield schools, this will increase congestion out of the area at an already extremely busy time.</p> <p>Additionally, Mirfield Health Centre currently has over 18,000 patients, so potentially may not take any new residents on, leading to further struggles accessing adequate healthcare services.</p>
