1. Highway safety - dangerous junctions nearby making it a hazard
2. Excessive Traffic generation whilst site is in development, already a very high traffic area
3. Loss of accessible informal green space and open land
4. Pressure on local schools which are already over subscribed
5. Doctor’s appointments already hard to get!
6. Road access - concerns about access for emergency vehicles
9. Obstructions of driveways and more traffic. Every house will probably have at least 2 cars, this area is often already gridlocked.
10. Disabled persons' access - ongoing issues with cars parking on pavements. This causes hazards to children, dog walkers, pushchairs, wheelchairs and people with impaired vision.
