<p>1. Highway safety - dangerous junctions nearby making it a hazard</p> <p>2. Excessive Traffic generation whilst site is in development, already a very high traffic area</p> <p>3. Loss of accessible informal green space and open land</p> <p>4. Pressure on local schools which are already over subscribed</p> <p>5. Doctor's appointments already hard to get!</p> <p>6. Road access - concerns about access for emergency vehicles</p> <p>9. Obstructions of driveways and more traffic. Every house will probably have at least 2 cars, this area is often already gridlocked.</p> <p>10. Disabled persons' access - ongoing issues with cars parking on pavements. This causes hazards to children, dog walkers, pushchairs, wheelchairs and people with impaired vision.</p>
