<p>This development will increase the risk of harm to the public due to increased traffic on both Hepworth Lane and Wellhouse Lane, (two of the narrowest lanes in Mirfield) including children on their way to and from school. Local residents will lose a valued piece of green space within an already built up urban area. Safe public walkways which border this green space will be lost contributing to a decrease in the wellbeing of the local community. Additional noise from the development will disturb the peace of those living nearby.</p>
