<p>I strongly object to this application, Wellhouse Lane suffers from terrible congestion during school collection/drop off times already. Hepworth Lane cannot handle any more traffic either, this runs along the back of our property and we frequently have vehicles scrape against our property wall. We do not want any more traffic here. This proposed development would also negatively impact local biodiversity and reduce green space, affecting the semi-rural and old character of the area. Wellhouse Lane and Hepworth Lane are only wide enough for a single vehicle in many places, the increased congestion would be extremely impractical.</p>
