<p>I wish to formally object to this application.</p> <p>I am a resident of wellhouse lane, the footpaths are very narrow and during peek times cars even mount the foot path.</p> <p>I have this is a huge safety concern with a extra 75 house this could add 150 extra cars into this extremely busy road.</p> <p>School time cars are park and hard to pass each other.</p> <p>My is also and we feel the paths are no good for We have a and have to park on the road to safely get out of the car.</p> <p>The extra load work vans, trucks in construction let alone the residents living there will cause a unsafe road even more dangerous.</p>
