My name is I live at school bungalow wellhouse lane WF140BE. I strongly object to the application 2025/93355 on the grounds the major factors of traffic it would generate.Wellhouse lane can not cope with more congestion and risk of accidents especially with already a large school there.Wellhouse lane at the bottom is too narrow plus Hepworth lane is not safe the lane is too narrow endangering the safety of children/adults having to go onto the road in parts because it's narrow and lack of footpaths.Also there is no infrastructure in place for schools, doctors,dentists,healthcare which will have a major impact a big concern is drainage and risk of flooding not to mention the effect on the wildlife.
