Subject: BELLWAYS APPLICATION NO. 2025/93355

CAUTION: External email. Do not click links or open attachments unless you recognize the sender and know the content is safe.

My name is _____ and I live at 55 Wellhouse Lane, Mirfield, England, WF14 0BD.
I wish to object to BELLWAYS application No. 2025/93355 on the grounds that 75 houses, and the resulting 140/150 extra cars is going to make the already manic road congestion intolerable.
At the moment twice a day we have to endure cars parking on pavements, on corners and across driveways. School buses and delivery vehicles are often blocked and children's lives are put at risk!
This application is crazy and should not go ahead on safety grounds for the schools children.
Wellhouse Lane is very narrow in parts and when cars park on both sides of the road at school times it becomes very dangerous for all pedestrians and is in fact an accident waiting to happen.
Hepworth Lane is much the same and is not suitable for even more traffic.
Hopefully common sense will prevail and the application will be denied.

Kind regards
