I am a Woodward Court resident and formally object to the Bellway planning application to build 75 houses on Balderstone Fields (2025/62/93355/E). School Children, Parents and Residents are at risk of injury every day on the narrow roads,lanes and pavements around Crossley Fields School. Due to the volume of traffic, narrow or nonexistent pavements, irresponsible pavement parking and law breaking parking on yellow lines. It's not unrealistic to predict each house in the proposed development could have 2, 3 or 4 cars, so potentially 300 cars, creating a significant extra 1000 high accident risk journeys per day in an already daily gridlocked Woodward Court, Wellhouse Lane, Hepworth Lane, Jenny Lane and Flash Lane. The completed development will create a 'Rat Run' around Greenside Road, Dunbottle Lane and Flash Lane, in both directions. Creating even more traffic and accident risk in front of Crossley Fields School and through Woodward Court/Hepworth Lane. Kirklees Council must say NO to Bellway again for the 5th time. It's too Dangerous.
