| There is going to be havoc on the roads around the site if you do,as if the roads around ain't bad enough as it is.Shillbank lane is already a drag strip with people driving dangerously from Ravensthorpe. The road behind the plough is busy enough at the best of times,especially around school times.<br>The people of mirfield beg you not to do this.If you lived here you would understand what i mean.<br>Plus we need those green spaces for quiet well being walks.There are also Deer and foxes and lots of wildlife use those fields.<br>Yours faithfully | |
