About the application

Application number: 2025/93355	
What is the application for?:	Erection of 75 residential dwellings with associated landscaping, open space, hi
Address of the site or building:	Land off, Woodward Court, Mirfield, WF14 0PY
Postcode:	LS15 8ZB

User comments

Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
The development would significantly increase vehicular congestion on the surrounding streets, particularly at school times. This will endanger children walking on foot when crossing roads due to poor visibility caused by parked/stationary cars, and by the sheer increase in traffic. Hepworth Lane and Wellhouse Lane already have areas which are one way, causing bottle necks of traffic, and both only have paths on one side of the road which further decreases the safe space for pedestrians to be. The condition of the road surface on Hepworth Lane is also poor with several potholes, and the exits from both Hepworth and Wellhouse Lane onto Flash Lane have minimal visibility, therefore an increase in traffic would not only further degrade road surfaces, but also increase chances of road traffic collisions.
