Planning Application: 2025/93355

Subject: Objection to Planning Application 2025/93355

Dear Planning Officer,

I do not live in Mirfield at the moment but my father-in-law lives there and my wife and I often visit with our children and as such I object on highways and pedestrian safety grounds. Crossley Lane already experiences queues and conflict where vehicles must stop to pass. Pavements are blocked, and children walk in the road at busy times. Speed bumps may slow traffic but do not create footway width or passing places. With Northorpe Lane adding traffic, the network will be overwhelmed. This is not a safe or sustainable location for 75 dwellings.
