Firstly I wish to object to the application due to concerns of traffic and road safety which is already an issue when visiting a family member on Woodward court. The road is very very narrow particularly past Mirfield parish cricket ground and vehicles often mount the pavement to squeeze past & daily park precariously on the school run to Wellhouse school. The road is not much wider on Hepworth Lane and with the possibility of an extra circa 75 cars minimum using these roads daily, this will only exasperate the situation of a serious accident happening & more traffic gridlock. Secondly Mirfield is potentially not only losing one of its beneficial green spaces which is a haven for wildlife but also used regularly for people walking and dog walkers for their mental well being.
