I would like to object on the grounds of highway safety and environmental impact. I believe Hepworth lane is not suitable for the potential increase in traffic. Hepworth lane only allows for single traffic both at the top and bottom of the lane , and there are no footpaths in place . The road is frequently obstructed by parked vehicles and during school start and finish time there is a high volume is traffic making it difficult to get to and from our house, this will only get worse with the increased traffic.
