Subject: Objection to Planning Application 2025/93355

Dear Planning Officer,

Whilst I no longer live in Mirfield, my family home is on Crossley Lane and I visit regularly with my children to see my dad, as such I oppose application 2025/93355. Highway safety is already compromised near Crossley Fields School. Pavements are obstructed at busy times, visibility is poor around parked vehicles, and drivers perform risky manoeuvres to pass. More traffic from 75 homes would worsen conditions and increase the chance of accidents. The cumulative impact with Northorpe Lane is ignored, and no infrastructure upgrades are proposed. The application should be refused on safety grounds.

Regards
